Profile

I graduated from the University of Illinois Urbana-Champaign with a Master's of Computer Science in 2025. I have the most professional experience with technologies such as Java, JavaScript, SQL, and Git, working as a software developer. However, I like using the best tools for the job (and learning new tools) and enjoy using languages and technologies like: TypeScript, Rust, OCaml, Golang, C#, Svelte, Tailwind, Neovim, Linux, React.
